

2. I am objecting to the above for the following reasons (**choose one**):

- ☐ Payments have been made in the amount of \$\_\_\_\_\_, but have not been accounted for. Documentation in support of attached hereto.
- ☒ Payments have not been made for the following reasons and debtor proposes repayment as follows **explain your answer**): To the contrary. I have made all my post-petition payments. My May 2017 payment was made via check #903 in the amount of \$204.00. I paid my June 2017 payment via check #878 in the amount of \$204.00. To date, these checks have not been cashed, nor returned to me. They were both sent to MAMCO via their provided coupon and envelope. My July 2017 payment of \$204.00 was made timely. However, MAMCO did not deposit this payment until after this motion was filed on August 1, 2017. Further, I mailed my August 2017 payment timely. Again, this payment has not been cashed. I would request that MAMCO start cashing my checks upon receipt to avoid these motion in the future. If necessary, I will replace the missing payments immediately.

☐ Other (**explain your answer**): \_\_\_\_\_

3. This Certification is being made in an effort to resolve the issues raised by the creditor in this motion.
